**Singapore Amber Lounge Fashion Charity Show
Formula One Weekend
30th September – 4th October 2021**

The Global Hair & Makeup team will undertake a 5 day / 4 night tour to Singapore in 2021. The F1 weekend is normally mid September and the dates are yet to be confirmed by Formula 1. The tour will provide you with a backstage opportunity to do makeup at the Amber Lounge Fashion Charity Show which is staged during the Formula 1 Singapore Grand Prix weekend. The Amber Lounge is the most exclusive fashion show in the world on the F1 circuit. The tour will include one fashion runway show on the Saturday evening of the tour. If you love makeup and travel, then you will love our Singapore tour!

The Global Hair & Makeup team stays together which means you will get to build friendships, talk makeup along with shop, dine and see a little of Singapore all while furthering your skills and gaining international experience. You will have free time to explore Singapore at your leisure but most importantly you will be backstage at the prestigious Amber Lounge show where models, entertainers, ladies of F1 and several F1 drivers walk the runway in the name of charity.

Singapore is alive with excitement during the formula one weekend and we have a ball. Do something for you! Come and join us on tour.

The tour cost is inclusive of the following:

**4 nights accommodation - Singapore hotel
Breakfast Daily (4 breakfasts)
MRT or road transport to and from Amber Lounge on show night
